**keypoint 125** Passage from Nostradamus' 1558 letter to the King of France, in reference to a person who will chase and vanquish the 3rd A/C: proceeds from the 48th, "will make a transmigration, chasing away the abomination of the Antichrist, who will make war upon the royal persons of the Pope..." So, if we notate keypoint # 57, we can conclude the arrival of the next A/C and a time-frame of when the dethroner of this A/C shows up on the world stage: the big question is, will the dethroner (savior of Christianity?) battle this A/C before, after or during the destruction of the 7-hill city? And, a Great Miracle? Is the revolting punishment on the 7-hill city part of the chastisement? In the end, the Judge will judge the people, and from our tip-off via another Marian apparition, it is due after the Great Miracle which will be televised. The punishment "would be worse than having fire on top of us, fire underneath us and fire all around us." In those times, the messages of warnings are glowing, terrible wars, anarchy, decapitation of Christians, decapitation of moral-standards, wicked-like weather and climate.

IS THE WORLD IN PEACE?

**keypoint 137** Popes John Paul II and John XXIII declared Saints in a joint ceremony on April 27, 2014, despite John XXIII having only one official miracle attributed to his intercession. He was not canonized by the Congregation for the Cause of Saints, no second miracle was attributed to his intercession, but was named a saint due to the proposal of Pope Francis I. First time in centuries a saint was proclaimed without the need for a 2nd miracle and without even being made a martyr. Since 1963, the Vatican could not find a second miracle attributed to him. John Paul’s first miracle was the curing of a 49-year old French nun Sister Marie Simon-Pierre Normand from Parkinson’s Disease; the second was the recovery of a brain illness for a Costa Rican woman who prayed to him.
